Who We Are

Unleashed Grad Trips specialises in overseas group travel packages for school leavers, looking for the ultimate experience. Grad Trip is a right of passage for Australian students so why not have a #TripOfaLifetime?

We have spent years researching exotic locations such as Fiji, Vanuatu, Europe and Cambodia to ensure we have the perfect mix of sun, fun and safety.

Cambodia Orphanage

A magical place rich with culture and happiness, Siem Reap is a popular destination for New Zealand and Australian travellers, but thousands of Khmer locals cannot afford to feed themselves let alone their families. This volunteer adventure requires participants to put their energy & enthusiasm into providing a helping hand at some of Siem Reap's most important centres for children.

Whilst each Volunteer role varies, you can expect to fill your time with essential tasks such as:

- Teaching basic health and dental hygiene techniques.
- Enhancing the school through maintenance & painting.
- Teaching a class on your own.
- Learning to cook authentic Cambodian meals for the kids.
